Did You Know?

Our vegetables are individually vacuum-sealed at our facility to maximize freshness and taste. This process also prevents our hoagies from blending together flavors you may not desire. Customers have the freedom to choose the toppings they would like to enjoy on their hoagie.

Our team uses the highest quality meats and cheeses, which are sliced in-house before the hoagies are assembled.

Both our hoagies and pizzas begin with a flavorful base. The hoagie rolls and pizza shells are baked locally and delivered daily to ensure the fresh taste that Marianna's is known for.
